

## ON LINE CHILD PROTECTION AWARENESS COURSE

### **TARGET GROUP**

Staff from statutory and voluntary agencies who have regular contact with children and parents, or carers who are not primarily responsible for child protection, but have some professional and organisational responsibility for safeguarding and promoting children's welfare.

### **AIM**

To develop a basic understanding/ refresh understanding of working together to safeguard children and be familiar with the roles and responsibilities involved in promoting the welfare and protection of children.

### **LEARNING OUTCOMES**

By the end of the course, participants should:

- Recognise and respond to concerns about a child;
- Have an awareness of national/local guidance to safeguard children;
- Gain confidence to act on concerns about children;
- Have some basic awareness of legislation and guidance underpinning Child Protection processes;
- Know what to do if they have concerns about a child;

### **Where to send completed course forms**

All completed on line forms will be graded and following submission of the form by email to [Yvonne.Thompson@northlincs.gov.uk](mailto:Yvonne.Thompson@northlincs.gov.uk) / [Martin.hird@northlincs.gov.uk](mailto:Martin.hird@northlincs.gov.uk) you will receive a certificate of evidence of completion of the course.
